# From the A1(M) Northbound and Southbound

- Leave the A1(M) at junction 45 and join the A64, following signs to York.
- Continue for 12 miles to the junction with the A19.
- Turn left towards the city centre.
- Continue into the city centre joining the one-way system (Fishergate).
- Bear left over Castle Mills Bridge.
- Keep to the right hand lane and turn right onto the B1227 Tower Street.
- Take the fourth turning on the left onto King Street.
- Continue for 80 metres and you will find us situated on the left hand side.

- Parking
  Parkopedia is a good place to figure out parking.
  Generally for a full day, Castle car park is the closest to King Street.
  However, St George's Field car park is cheaper (please note, this car park can flood).
- If you are looking for short stay parking e.g. just to drop something off, Cumberland Street car park is ideal.
- We are a short walk from both car parks.

# Park and Ride P&R

- York has a park and ride option on most ring road junctions which may be a better option.
- Free car parking is available.
- Services run from Monday \_ Saturday, typically every 10 minutes.
- Most drop off and pick up are relatively close to the office.

# By Train 😂

- York is the nearest mainline railway station.
- We are a short walk from the station.
- For further information on train times and fares please call the National Rail Enquiry Line on 08457 484950.
